Hello!

On behalf of our Wal-Mart management team and the kids of the Children's Miracle Network, thank you so much for participating in our Seventh Annual Golf Tournament. We raised approximately \$1800.00 to help the Janet Weis Children's Hospital.

I hope you had a great time , and we look forward to your participation again next year. If you have any suggestions for improvements in our tournament, please feel free to contact Micah, Hugh or myself. Thank you again for helping our kids!

Sincerely yours,

Becky Jo Rowe
